Periyar Alum News

Vol. VI Issue :6

FROM THE ALUMNI DESK

It is a pleasure and pride to mention that ALUMNI Association of Periyar Centenary Polytechnic College, Vallam has been functioning successfully for the past three decades with three more new chapters started in Singapore, Trichy and recently a new one in Chennai. Eversince its inception alumni association is actively involved itself in performing a number of students centered activities which are extremely useful to the current students pursuing their studies in the campus. To mention one such activity during the inaugural function of Chennai chapter third in row on 25.09.2010, it was decided to select one outstanding alumni and a best outgoing student every year for a cash award. We believe such encouragement coming from association will go a long way as an effective motivation force to the student community to take up new ventures of their own and also the alumni to join hands with the association to propel its further growth development and render excellent services for the prosperity of the students.

In the coming years we sincerely foresee that the association will grow by leaps and bounds and emerge as a strong platform to address various issues pertaining to the further development of students in the competitive world and help students to become successful entrepreneurs or employees and secure a safe zone for themselves.

The guidelines given by our Principal for the best performance of the association during the years are to be remembered thankfully.

Alumni Endowment

We are glad that Alumni Dr.K.Malathi, Principal, *Excel Engg. College, Salem* was the student of Civil Engineering Department in the year 1984. She chaired PCPC Home Chapter meeting held on 05.03.10, and interacted with the alumnae. Her speech was enthralling and has motivated the students. She thanked her alma mater and overwhelmingly donated a sum of Rs. 5,000/ for the alumni association.

It is our privilege to inform that alumni Mr.A.Gopinath B.E, State Promotor, Vision Skill School, Tamil Nadu, student of ECE in the year 2005 has undertaken many projects for the student fraternity.

We are proud to say that he has conducted soft skill courses for our final year students. He has created an endowment of 10,000/- in the name of his parents *Annadurai - Malliga*.
